## THE GREAT DEPRESSION

Link the following phrases to write a brief description of how they helped to cause the Great Depression

Easy credit terms for individuals; overproduction of farm products; uneven distribution of wealth; high protective tariffs; worldwide depression; foreclosure; too little money in the economy; debt

### Short Answer

1. What event triggered the Great Depression?
2. What was the nickname of the October 1929 event?
3. List at least 3 "big picture" results of the Great Depression
4. Who is the Republican president when the Great Depression begins?
5. What is his government philosophy called? (it argues that people don't want or need government to help them out)
6. What is the name given to the group of veterans who marched on D.C. to urge early payment of service awards?
7. How did the president greet them?
8. Who becomes president in 1932?
9. To which party does he belong?
10. What is the nickname given to his plan to stimulate the economy?
11. What three "r words" does his plan focus on?

## The New Deal Agencies

Not all of the so-called Alphabet Soup agencies survived for long, but they were a critical component of FDR's plan to make Americans believe government was working for them and that the Depression was under control.

1. Match the agency to its description
2. Put an asterisk beside agencies or programs that still exist with the same name.
3. Put an X beside programs that were forerunners to programs today

<p>_____ Agricultural Adjustment Act</p> <p>_____ Works Progress Administration</p> <p>_____ Federal Deposit Insurance Corporation</p> <p>_____ Tennessee Valley Authority</p> <p>_____ Social Security Act</p> <p>_____ Civilian Conservation Corps</p> <p>_____ Federal Emergency Relief Act</p> <p>_____ Home Owners Loan Corporation</p> <p>_____ National Youth Administration</p> <p>_____ Securities and Exchange Commission</p> <p>_____ National Industrial Relief Act</p>	<ol style="list-style-type: none"> <li>1. Low-interest mortgages to people in danger of foreclosure</li> <li>2. helped states provide immediate unemployment assistance</li> <li>3. Part-time jobs to keep needy students in school</li> <li>4. Set codes to establish fair practices for individual industries and price controls to ensure competition</li> <li>5. supervised stock exchange groups to guard against dishonest practices</li> <li>6. jobs for single men on construction projects</li> <li>7. quickly create as many jobs as possible</li> <li>8. Develop the resources of the depressed Appalachian region</li> <li>9. provided a pension for retired workers and aided people with disabilities</li> <li>10. Aid to farmers and to regulate crop production</li> <li>11. created by Glass-Steagall Act to insure bank deposits up to \$5,000</li> </ol>
---	---

Now for the agencies listed above, place its acronym in the correct box.

Relief-direct aid for the needy

Recovery-getting a sector of the economy working again

Reform-changing the way government interacts with its citizens

Relief programs	Recovery programs	Reform programs

### Match Game:

For each term on the left, match it to its correct partner in column 2 and column 3. Not all phrases in 2 and 3 are used.
